GENERAL RULES
Sport Management – Internship Option
Catalog 201731

I. REQUIREMENTS FOR APPLYING TO THE UPPER LEVEL OF THE PROGRAM

The upper level indicates “preparedness” for upper level coursework

1. Complete a minimum of 45 hours of degree plan coursework; 30 of which must be University Core Curriculum, with a minimum of 15* hours at A&M.
2. Complete the following with a grade of **“C”** or better**:

COMM 203	ENGL 103/104	ECON 202/203	SPMT 217
MATH 140	SPMT 225	ISTM 209	
3. GPR requirements: 2.5 overall **A&M** GPR. If you are accepted and your GPR drops below 2.5 by the end of the semester in which you are accepted, you will be blocked from upper level course work. Students will be required to raise their GPR and reapply for admission.
4. Submit Upper level application by the required deadline. Applications must be complete, accurate and cannot be handwritten to be considered and must be signed by the applicant. Complete application packet to include: Application, Essay, Required Coursework Worksheet, (Part A&B), Degree Plan Worksheet and Resume. Submit 2 copies of the above documents. The deadlines will be communicated to you by your advisor each semester.

Enrollment Management: Entrance to Upper level is a **COMPETITIVE** process. A faculty committee will review all applications. All applicants will be rank ordered from highest to lowest based on the criteria outlined below. The total number of applicants to be accepted will be determined by the Department based on the number of "seats available" in the program for both the Internship and Non-Internship Options. Applicants will be accepted on a "best qualified" basis subject to "seats available." **Meeting minimum qualifications is no guarantee for admission.**

Determination of Upper level admission will be made approximately 30 days after the application deadline in the semester in which you applied. Notification of acceptance OR denial to the Upper level of the Sport Management program will be made by email to the applicant’s neo.tamu.edu e-mail address.

The committee will consider the following criteria when reviewing students:

- **Overall GPR**
- **Pre-Requisite GPR (4 bold courses)**
- **Resume**
- **Essay**
- **Applicable sport industry experience**

Applicants who frequently drop or withdraw from courses will be at a disadvantage in the review for admission. Students may apply for Upper level admission no more than two times. Students failing to gain approval to enter the Upper level for the second time may not reapply for admission to the Sport Management program and must change their major.

* First semester transfer students may be allowed to apply with only 12 hours completed

** Students are able to apply with one (1) bold course in progress

I. PROGRESS TOWARDS DEGREE

Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

II. UNDERGRADUATE DEGREE PLANNER REQUIREMENT

All students entering Texas A&M University after Summer 2013 are required by TEC§51.9685 (formerly House Bill 3025) to complete an online undergraduate degree plan annually. Students are required to complete the Undergraduate Degree Planner before the start date of their second year. The Undergraduate Degree Planner can be found in the Howdy Portal on the My Record tab in the Undergraduate Degree Planner channel. Guides for using the Undergraduate Degree Planner are also available on Howdy.

III. REQUIREMENTS FOR INTERNSHIP

1. Minimum GPR requirement: **2.00** overall at Texas A&M.
2. Submit Intent to Graduate Form one year prior to your expected graduation/internship semester (i.e. if you plan to intern/graduate Fall of 2021, then you would submit this form in Fall 2020). Forms are available on-line at <http://mycehd.tamu.edu/students/undergraduate-forms/#hlkn>.
3. Approval of Intent to Graduate form by Internship Coordinator.
4. Complete the following courses with a “C” or better: Professional Development, Directed Electives, and Major Courses (**see your Degree Plan**).
5. Complete all coursework on degree plan prior to Internship.
6. The internship will be completed during the final semester at Texas A&M (The semester immediately following SPMT 402 – Pre-Internship Class).

IV. COURSE FORCING

The Health & Kinesiology department will not force students into any course that does not fall within our department (i.e. HLTH, KINE & SPMT). If a student is entering their final semester before graduation and needs a course that falls within the HLKN Department, they may be able to be forced into that course depending on classroom space. If a course falls outside of the HLKN Department, students will need to contact the College and/or Department in which that course is housed in order to see if they can be forced in.

V. REQUIREMENTS FOR GRADUATION

1. Successfully complete all degree plan courses with required grade in each.
2. Minimum GPR requirement: 2.0 at Texas A&M.
3. Add/Pay Diploma Fee the semester you are graduating/interning.
4. Apply for graduation by deadline the semester you are graduating/interning.
5. Transfer all courses to Texas A&M.

Additionally, **any KINE course** (with the exception of KINE 120, 198, 199 & 223) counts as Directed Elective. However, please note that many of the KINE courses offered are restricted to certain majors and minors and will require approval to enroll in.
