Clinical Assistant Professor in Athletic Training

The Department of Health & Kinesiology at Texas A&M University invites applications for a Clinical Assistant Professor (non-tenure track) to teach undergraduate and graduate courses in the CAATE accredited professional Master of Science in Athletic Training program and serve as a core faculty member and play an integral role in the program.

**Rank:** Clinical Assistant Professional Track (Non-Tenure)

**Appointment:** This is a nine-month academic professional track appointment with anticipated start date for summer of 2020. Salary, benefits and compensation packages are competitive and commensurate with experience and qualifications.

**Required Qualifications:**
- An earned doctorate in Athletic Training or associated field (ABD will be considered if date of degree confirmation is before the position start date)
- BOC Certification as an Athletic Trainer in good standing
- Texas Athletic Trainer License or eligible
- Teaching experience in athletic training (CAATE program preferred at graduate level)
- Minimum of three years full-time clinical athletic training experience (preferably as a preceptor)
- Demonstrated commitment to working successfully with a diverse student and faculty population
- Demonstrated a record of or potential for engaging in impactful teaching, research and service that merits the rank of Clinical Assistant Professor at a Research-Extensive, Tier I University

**Preferred Qualifications:**
- Other specialized education and credentials (e.g., CSCS, PES, CES, EMT, LMT, PT, RN, etc.)
- Experience in mentoring scholarly research (Graduate/Undergraduate)
- Experience utilizing various teaching technologies and multiple teaching formats (e.g., face-to-face, hybrid, online)
- Experience with incorporating the use of standardized patients, clinical simulations and interprofessional education into teaching and collaborations

**Responsibilities:**
- Teach courses primarily in Athletic Training and other areas of expertise as needed (e.g., Biomechanics, Exercise Physiology, etc.)
- Maintain contemporary expertise in assigned teaching area
- Assist the Program Director with program accreditation responsibilities
- Assist the Clinical Education Coordinator with supervision of clinical education both undergraduate and graduate
- Recruit, advise and mentor diverse undergraduate and graduate students
- Maintain a level of scholarship sufficient to qualify and maintain Graduate Faculty Status
• Supervise athletic training graduate research projects
• Establish collaborative partnerships within the department, university, medical community and public/private sector

**Location:** As the flagship campus of The Texas A&M University System, we are located in College Station, Texas which is conveniently located in a triangle formed by Dallas, Houston, and Austin. The area boasts a low cost of living, a sun-belt environment, and is consistently ranked among the best places to live in the country. With a student population of more than 64,000 and nearly 9,000 faculty and staff, the Spirit of Aggieland is unmistakable. We are a unique American institution, fostering a culture of friendliness, diversity, compassion and respect for one another. Our unique history and rich traditions make Texas A&M special.

**Application Process:** Please submit your application (including CV, cover letter and teaching philosophy) at https://it-lf-ecmf.tamu.edu/Forms/hlknfja

**Review Date:** Review of candidates will begin on October 1, 2019, and will continue until the position is filled.
